Established in 1965, Head Start promotes school readiness for children, ages three to five, in low-income families by offering educational, nutritional, health, social and other services. College of Southern Idaho’s Head Start program serves 593 children in eleven counties from August-May. For more information on the Head start options available please contact your local Head Start Center.

Early Head Start
Early Head Start, launched in 1995, provides support to low-income infants, toddlers, pregnant women and their families. EHS programs enhance children’s physical, social, emotional, and intellectual development; assists pregnant women to access comprehensive prenatal and postpartum care; supports parents' efforts to fulfill their parental roles; and help parents move toward self-sufficiency. College of Southern Idaho’s Early Head Start program is a home based program offered in Twin Falls, Jerome and Rupert. It provides services to 80 pregnant women, infants and toddlers year round.
