Dear Parents,

We are pleased to announce that the application for _____ has been accepted for Head Start.

We are excited that the Head Start school year is about to begin. As a final step of the application process, a staff from the center will contact you to set up an orientation visit in your home. This orientation will give you an opportunity to:

- Meet your Family Advocate or Home Visitor.
- Receive information about the first day of school
- Receive information about the Head Start bus schedule
- Review other information that will assist us to serve your family

If the information in the application regarding your address or telephone number has changed please contact the center at _____ and ask for _____ to update this information, so we will be able to set up the orientation visit.

We would like to extend an invitation to you and your family during the first week of class for dinner and screenings at the center. Your Head Start child will participate in the screening process for speech, language, hearing and vision. During your orientation home visit you will receive additional information about this evening.
